

Gator Kennels Cat-hotel units

Your kennels are a long-term investment.

Quality materials - sturdy construction - and materials that are easy to clean; adds **longevity, value,** and **efficiency** to your kennel facility.

Specifically designed for cats, Gator Kennels Cat-hotels come pre-assembled with an upstairs and downstairs living space.

Each unit is constructed from our durable PVC plastic for best comfort and easy cleaning. Meets the USDA standards for long-term feline boarding, these kennels are perfect for Animal Rescues, Veterinarians, Boarders and Breeders!

Innovative new material:

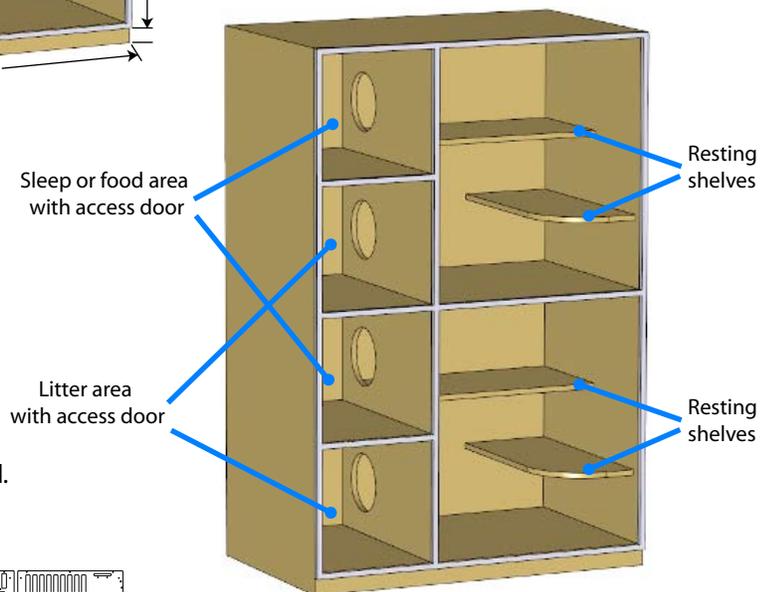

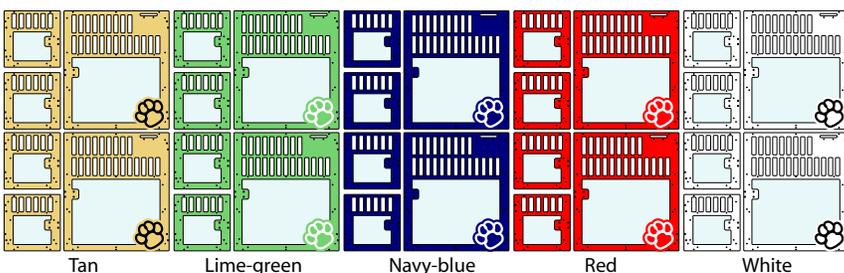

- Does not absorb water or urine!
- Insect resistant!
- Flame resistant!
- Chemical resistant!
- 82% more insulation than plywood!

Each of these spaces is further divided into a living space, a space for the litter-area, and a play-space! The play-space has two shelves - providing more vertical places to play!
