

Gator Kennels Double-stack Kennels

Your kennels are a long-term investment.

Quality materials - sturdy construction - and materials that are easy to clean; adds **longevity, value,** and **efficiency** to your kennel facility.

Designed for smaller animals, the Double-stack kennels save space by going vertical! These units are groups of cages pre-assembled into cage-banks for strength and cost-savings.

Each unit is constructed from our durable PVC plastic for best comfort and easy cleaning.

Innovative new material:

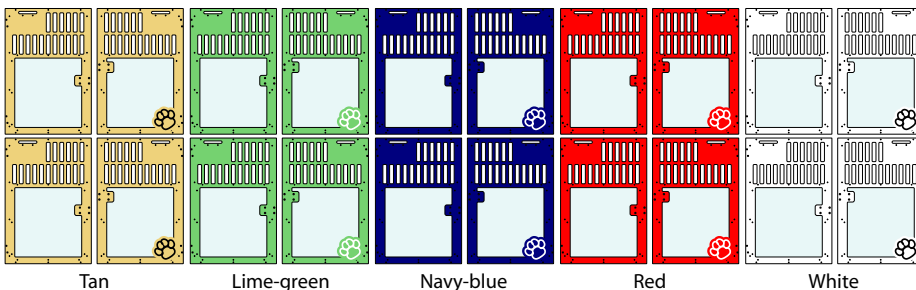

- Does not absorb water or urine!
- Insect resistant!
- Flame resistant!
- Chemical resistant!
- 82% more insulation than plywood!

A removable divide both upstairs and downstairs allows you to adjust the kennel size on the fly! House two small/medium dogs at a time - or insert the divide panels to house 4 small dogs at once! Great for Groomers and dog boarding facilities, the removable divide does not require tools to switch out - allowing you to customize on the fly. Each unit is constructed from our durable PVC plastic for best comfort and easy cleaning.

Ships fully assembled:

- Ships on heavy-duty casters (wheels).
- Fluid-trap at the front of the kennel keeps fluids from sneaking over the top and dripping on occupant below!
- Clip-board clip on each gate makes it easier to display info-card.

Available Gate Colors :

Price each double-unit: **\$2,400**
